Allanasons Young Scientist Award-2022

Terms and Conditions

1. The name of the award will be “Allanasons Young Scientist Award”
2. The award shall be from the interest accrued from the fixed deposit of Rs. 1,00,000/- contributed by M/s. Allanasons, Frigerio Conserva Allana Ltd., Secunderabad. The award will be conferred on selected candidates during the annual/biannual conference of the association.
3. **The Candidate must be a life member of Indian Meat Science Association (IMSA), should possess Ph. D and hold permanent position in either Universities/Research Institutes with minimum of 2 years’ experience at the time of application.**
4. The age of the candidate must be **below 35 years** as on last date of application for the award. Candidates have to submit the attested copy of the date of birth certificate as age proof along with filled application as given below.
5. The award will be given based on the bonafide research work on any aspects of Meat Science and Technology carried out by the candidate.
6. A “No Objection Certificate” from the Head of the Department / institute must be submitted while applying for the award in the prescribed format, if employed.
7. The selected candidate must present his research work/achievements personally during the IMSA conference in which the award will be given.
8. The candidate will be awarded only once. However, unsuccessful applicants may apply again provided they meet all other eligibility criterion.
9. If no suitable candidate in a particular year is deemed fit for the award, the committee shall have the power not to confer the award for the particular year.
10. The award shall carry a certificate and a memento bearing the IMSA logo.
11. There shall be a Judging Committee consisting of 2-3 expert members appointed by the President, IMSA. The judging committee will shortlist the applicants (depending on the

number of applications) for each year and recommend to EC of IMSA. After approval from President, IMSA the shortlisted candidates will be informed.

12. The candidate will be evaluated on the basis of potential of his/her research (basic/applied) contribution for advancing the existing knowledge/practical utility/novelty/quality of research/teaching; Peer reviewed and published research papers, books, patents, visits abroad and any other earlier awards received.
13. Applications for the award made in the prescribed application proforma may be downloaded from the IMSA web site (www.imsa.org.in). The duly filled proforma will be accepted on or before **15th November 2022**. The **soft copy of duly filled application** along with all other documents (Proof of age; Forwarding letter from the Head of the Department/ Institute; 3 Best research papers and proofs for all the claims made in support of their application etc.) may be sent to email of **Secretary, IMSA, at imsanrcm@gmail.com**.
14. The presentation of award will be made during the IMSA meeting/conference. The shortlisted candidates will make a presentation of about 8-10 min. on salient achievements of his/her work to the audience during IMSA National seminar. It is compulsory for the shortlisted candidates to be present during the seminar and must make the presentation personally. Without presentation the candidate will not be considered for the award. The judging committee consisting of 2-3 experts will evaluate (score) the presentation for Young Scientist award and recommend to EC of IMSA. Initial screening score (80%) and presentation score (20%) will be totaled and one Young Scientist will be selected. After approval from President, IMSA the selected candidate will be given the award on the last day of the National Seminar during IMSA General Body Meeting. No TA/DA will be provided to applicants.
